## **What is the National Residence Hall Honorary (NRHH)?**

---

NRHH is the recognition branch of the National Association of College and University Residence Halls (NACURH). NACURH firmly believes in the value of student involvement in residence hall life through community service, community building, advocacy and educational programming. NACURH, as an organization, also believes that recognition is a must in a strong residence hall community.

As such, NRHH exists to ensure that we don't forget to give deserved recognition when it's needed. NRHH exists to honor student leaders whose hard work all too often goes unnoticed without even so much as a thank you. That is the fundamental purpose of NRHH.

Membership in NRHH exists as a very special way of recognition for those students who make outstanding contributions to their campus and residence halls. Membership in NRHH is restricted to 1% of students living in the residence halls, or no more than 20 active members.

## **Eligibility/Minimum Qualifications**

---

The qualifications for induction into NRHH are: lived in residence hall at UVa-Wise for at least two (2) semesters at the time of induction; in good academic and judicial standing; and have exhibited outstanding leadership and service to the residence hall system.
